Sample Itinerary:

Day 1—Travel to **Sault Ste. Marie, Ontario** and check into the **Holiday Inn Express.** This evening all aboard the **Soo Locks Dinner Cruise** and cruise the beautiful St. Mary's River. This is a great way to experience the shipping channel and Sugar Island. We'll actually ride through the Soo Locks, and enjoy a sailor's view of many of the rivers landmarks.

Day 2— The Canadian wilderness is ablaze with color during autumn and for decades the **Agawa Canyon Railway** has been a favorite journey to experience some of the most spectacular fall colors in North America. Through large windows the beauty of the region will unfold and you will experience the rugged landscape of **Agawa Canyon Country.** Just when you thought you'd experienced it all, the train will begin its descent into the canyon at Mile 102 and as the rail line hugs the top of the canyon wall you will travel down 500 feet over the next 10 miles to the floor of the Agawa Canyon, created over 1.2 billion years ago by faulting and widened and reshaped by the last ice-age that retreated 10,000 years ago. As the train pulls to a stop at Mile 114, you'll have 1.5 hours to experience the pristine beauty of Canyon Park up close on the floor of the stunning canyon. Enjoy a box lunch in the beauty of the landscape surrounding us.

Day 3—Visit the **Canadian Bushplane Heritage Center**, created to preserve Ontario's rich bushplane and fire-fighting heritage. Experience how the planes work, climb aboard real vintage aircraft and sit in the cockpit. See aircraft being rebuilt, feel the thrill in the Flight Simulators, examine 24 bushplanes, view the operational engine test cell, visit a reproduction of an actual bush camp and lots more. Mid-day visit Mackinac City for lunch and a couple hours of shopping time before heading home.
